

We take your privacy seriously

- We look after any personal information that you share with us.
- We may collect information from you when you enquire about joining the LSN, become a member, make a donation, buy something, email us a question or during any other interaction.
- As a member of the LSN you will receive a quarterly membership newsletter and a reminder when your membership is due. You will **not** be contacted directly by us for any other reason unless you have expressly given us your permission.
- We do not share your personal information with anyone at any time without your express permission. The only exception to this is our legal obligation to share your name, house number, postcode, date and amount of your subscription/donation with HMRC if you are in the gift aid scheme.
- Should you provide us with credit/debit card details to pay for your membership, make a donation or pay for items we DO NOT keep a record of it once the payment has been processed, which always happens on the same day of your call.
- If you would like to be reminded about what information you have shared with us just give us a ring or drop us an email.
- If, at any time, you would like to change your choices about how we communicate with you, please do not hesitate to contact us and we will gladly update our records.
- Our full 'Information, data management and privacy' policy is available on request from the LSN.
